

TIME-SENSITIVE ACTIONS FOR ENDORSED CANDIDATES

Fall 2020

- ❑ **Give your email address – the same email address you are using on your application for admission to NC State – to your college counselor, and immediately arrange to receive emails from park_scholars@ncsu.edu.**

Some email providers block messages from unknown senders. Make sure to configure your email to allow messages from ncsu.edu addresses.

- ❑ **Check your email no later than October 16 for application instructions.**
If you have not received an email from park_scholars@ncsu.edu, verify with your counselor that they provided the correct email address when endorsing you. If it is correct, check your spam folder and verify your email security settings. If it was sent to the incorrect email address, contact park_scholars@ncsu.edu to let us know that you have been endorsed but there is a problem with the email address on your account (provide your complete name and date of birth).

- ❑ **Enter the names of two recommenders as soon as possible after you've been endorsed.**

Select recommenders who know you well and provide them with sufficient time to prepare strong letters of support. The email you receive from park_scholars@ncsu.edu will include instructions on submitting this information via your Park Scholarships portal (go.ncsu.edu/parkportal). Be sure to collect your recommenders' preferred email addresses at the time they agree to complete a recommendation. Your recommenders will need to arrange to receive email from park_scholars@ncsu.edu.

- ❑ **The deadline for all Park Scholarships application materials – including the Park Scholarships application, letters of recommendation, and application for admission to NC State – is November 1. It is your responsibility to make sure we receive all materials by that date.**

Access your wolfPAW account to track submission of your application for admission to NC State (which includes your high school transcript). The Park Scholarships program and NC State will not require ACT or SAT scores for consideration for Fall 2021 entry. Refer to go.ncsu.edu/test-scores for details.

From your Park Scholarships portal, click the "My Status" link at the top of the page to track:

- Submission of your Park Scholarships application
- Submission of your recommendations
